買い出し係

私は毎朝、籠を下げて市場に買い出しに行きます。お店の食材を仕入れるためです。 同様に、ボスのシンさんも買い物かごを下げて仕入れに行きます。

さらに同じように、ボスのボスであるカズさんもデイパックを背負って買い出しに行きます。ただし、カズさんは仕入れの為ではなく、息子の夕飯の食材を買い出しするためらしいです。

買い出しは奥さんの仕事ではなく、もっぱら主夫(男の主婦)の仕事です。 少なくとも、私たち三人は。

We are in the charge of purchasing

I go to the market to purchase the food materials for our restaurant handing with a basket.

Similarly, my boss Singh-san go to the market with basket, too

And so on, boss's boss Kaz-san go to the market with daypack on his back

But his going to market, it seems that not for getting restaurant's food materials, but for dinner's ones with his son

Going to market and purchasing with basket or daypack, it`s not Mammy`s job, but Daddy`s job

At least, 3 men, we are!!
