ちょっとしたご縁

昨日は、朝5時に家を出て、羽田に來日するインドラさん夫婦を迎えに行き、お店の始まる前の9時半には戻ってきました。

インドラさんは昔、ネパールで私の家がホテルをやっていた時のお泊り客さんです。

以前、私を頼って日本に來、今は仙台でカレーレストランを営んでいるのですが、今回はネパールに残してきた奥さんを迎えに行つての帰りだったので。

そういえば、六角橋支店の店長のギリさんは、自分がネパールで小学校の先生をしていた時の教え子。

そして、奥さんのビムさんは、インドラさんと同じく、私のホテルのお泊り客さん。

ちなみに、ママが今回来日した時は、ほんの少しだけ知り合いの他人様に同道をお願いしたりもしました。

だって、家族がネパールからついてくると帰る飛行機代が余計にかかるので、日本に働きに來る片道切符の知り合いを見つけたのです。

自分が思うに、我々、ネパール人は「ちょっとしたご縁」も大切にします。

なぜって、世の中、何が転がっているかわかりませんから。何がきっかけでうまくいくかわかりませんから。人知の及ぶ範囲なんてたかが知れていますもの。だから今は見えずに計り知れない、その時のために、網を大きく張つて、その「ちょっとしたご縁」もお互い、大切にしているのです。

そういえば、中学三年に進級するのを機に、ネパールに帰つた息子のジャッティンが少し寂しそうにこう言っていたと後で、ボスから聞きました。

「日本の小学校の友達は中学に行くと、もうあまり遊ばなくなるよ。ネパールじゃそんなことないのに」

って。

A little trailing edge

Yesterday, at 5am, I went out from our residence and went to Haneda airport to welcome Indra-san`s pair. And went back with them to our restaurant by the opening time 9am

Indra-san was one of guests staying our hotel which my family had managed and operated in the past time in our village

Also in the past time, he came to Japan with above relation to me and now he manages and operates curry restaurant in Sendai-city.

In this time, it`s the coming back way for the welcome to his wife whom he has left in Nepal
By the way, the manager of Rokkakubashi brunch, Giri-san was one of my student in elementary school when I worked as a teacher in Nepal

And my present wife, Bhim-san was one of our guests of our hotel in Nepal, too

Additionally saying, Mam`s coming to Japan in this time, is the result of my request to a little bit known person for supporting and helping on the same way with her

Because, if a member of my family in Nepal come to Japan for supporting Mam, it`ll cost twice amount, in other words, the money for returning to Nepal

Therefore, I requested this matter to one-way passenger with working visa for Japan

I think, we Nepali, handle a little bit “trailing edges” as very important and meaningful ones

Because we don`t know what kind of special and useful matters are there in the World. We don`t know what is the trigger for going well

We know the limited level of human being`s wisdom

And then, we handle a little bit “trailing edges” as important and meaningful ones and prepare for the unknown and non-visible time coming and touching to us with wide and wide net expanding over the World in now

By the way, my son who went back to Nepal when his stepping up to 3rd grade in junior high school, said to boss, with a little blue-feeling and lonely face, I heard from him later below

“In this country Japan, friends in elementary school almost never contacts me after they step up to junior high school. In our country Nepal, such a case never, ever contacts”

Thank you
