キャプテン

ボスはとっても心配性なお方、みったい、です。

「油断するな。うまくいき過ぎているときほど、気を抜くな。北の国からミサイルが飛んでくるかもしれないんだぞ。あの時と状況は何ひとつ変わっていない。いや、益々悪くなっている。だから、そうなったらどうするか？常に、エマージェンシー・プランを考えておかないといかんぜよ」

確かに昨年8月にお店をオープンするのがここまで延び延びになったのは、開店した後に、ミサイルが飛んで来たら、お客さんは外食どころではなくなる。そうなったら家賃ばかりがかさむことになるから、しばらく、様子を見ようとボスが言ったからです。

そうして、流れること、半年、年（とし）、年（とし）、幾星霜（いくせいそう）。

しびれを切らして、自分がせっついて、やっと数日前に、開店の目途が立った次第。

そんなボスが今回、開店に OK を出したのは「これを逃したらもう二度と見つからないだろう」という、願ったりかなったりの出色の物件に出会ったからです。

だから、契約の口約束が出来たとき、ボスはあれほどはしゃいだんだと思います。

散々バラひどい目にあわせてきた神さまが、その裏返しみたいに今回、一発、まとめて、ドッカン！！の「ビッグプレゼント」をくださった、とでもいうところでしょうか。

ところが、今日、正式な賃貸借契約を終えて帰ってきたボスは、この前の「はしゃぎ過ぎ」のボスとは全然違ってました。

曰く

「わしは、お前らの「ボス」ではない。単なる「キャプテン」や。

わしらは一つのチームや。

上も下もない。

その「キャプテン」かて、単にフォーメーション・メイキングするだけの役目、役柄に過ぎんのか。それは役職なんかやあらへん。「係」みたいなもんやで。

しかし、わしはどうせキャプテンになるんやったら、世界の海を探検して回った「キャプテン クック」みたいになりたいぞ。わかったん？シンさん」

「キャプテン クック」かぁ・・・

うーん、

「それは、ちょっと、ムリ、みったい」と思います、です。

Captain

Boss, he seems to be a little bit too much delicate and nervous person

“Never be relax. While too much going well, take a very careful position. Never take a careless miss. There is a possibility which a missile will be coming.

The situation and condition never be changed. No, the same. More and more getting worse
Then if it happens, what should we do?

Always we should think and make a emergency plans. Ok?”

Surely, we had a plan for opening new restaurant in the past August, but never had been done.
Because if the missile will be coming over and down nearby here and there around us, our customers never will go outside and never will have lunch and dinner.

If it happens, the amount of tenant`s rental fare will be increasing and putting on and on
Therefore let`s look and watch around, also stand by so much carefully” he said

Then we had done it during the long term, so many times, Sun and Moon had changed and changed to each other

But I never wait for the time anymore, then I pushed and pushed Boss

At last a few days ago the opening of restaurant`s possibility made it cleared

That`s the real story

Such a person, Boss, in this time, appeared OK sign obviously, because he found out the very rare and incredible item. It might never have such a chance anymore, he thought and judged, maybe.

Therefore, when Boss got the promise of leasing tenant by mouse, Boss had the dancing and dancing way or appearance, I guess

During so many years Boss had been beaten and beaten, but in this time, God, as if it`s the reversible way, gave the Big Present like a happy bomb to him at once.

Perhaps maybe, it made him too much dancing and dancing, I think

But today after concluding and finalizing the contract of leasing for tenant, when Boss came to us, his appearance and attitude quite had been changed by comparing with the one in that time, quite!!

Boss said below

"I`m never Boss of you. I`m mere Captain for you

We are the members of our "Team"

There is never Hi position, nor Low position, quite never

The calling name of "Captain", it`s a mere standing position and play style for making the formation play doing

There is never proper status, and never have such one

But if I can be a captain, I wish to be the captain like a Captain Cook who was the great adventuring all over the world seas, that`s all

Understand? Singh-san? Ah?"

Captain Cook...

Huum

It seems to be too much far and far for getting him before Boss`s funeral, I think!!

Than you
